Adopt-a-Pot Program

Every summer barrels of flowers are planted and maintained to provide a colorful, charming addition to Main Street. The Hendrum Economic Development Authority (EDA) is encouraging community members and merchants to help maintain this tradition by adopting a pot of flowers this summer. Each barrel costs approximately \$50.00 per pot for flowers and fresh soil with ten barrels planted every year.

Make sure to thank Karen & Mike Smart for generously donating their time and energy to plant and water the flower barrels all summer!

Tree Planting Program

The City of Hendrum is encouraging citizens to plant trees from now until June 30th. Purchase up to **two trees** from a supplier of your choice and the City will reimburse residents for ½ of the purchase price of the trees or up to \$20.00 per tree. The City has allocated funds for this program and is on a first-come, first-serve basis. Interested residents **must plant trees within the City of Hendrum.**

What you need to do to participate: Purchase your trees by June 30, 2018, and bring your receipt to the Hendrum City Clerk's Office to qualify for a reimbursement check. Again, there are limited dollars and this offer is on a first come, first serve basis. When the money runs out, so does the offer. All receipts must be turned in by July 15, 2018, to qualify for reimbursement.

Please make sure to take advantage of this opportunity to get new trees planted in our community!

AUTOMATIC PAYMENTS

You can pay your monthly city utilities bill from your checking or savings account – no checks to write, stamps to buy or late payments to worry about!

To sign up, simply complete and return the enclosed authorization form. It can take up to a month to set up your direct automatic payment. Continue to pay your bill as usual until you see the wording “Auto Pay” on your utility statement.

You will continue to receive a billing statement as usual. Each statement will indicate the amount with the message “Auto Pay”. Funds will be transferred on the first business day on or after the 15th of the month.

There is a \$1.00 monthly service fee to utilize this service. If at any time there is a change in your bank account information, you will need to notify the City Clerk and fill out a new automatic payment authorization form. If you have any questions about your bill, call the City Clerk’s office at (218)861-6210.
